DID YOU KNOW?

 The Tasmanian Government school year is divided into four terms.

PROFESSIONAL LEARNING DAYS

- During the school year, schools have professional learning days and on these days your child will not attend school.
- Professional learning days enable teachers to participate in important learning that improves their teaching.

MODERATION DAYS

 There is also a moderation day for student assessments. This ensures all students across Tasmania are being assessed against the same benchmarks, and that student assessments are comparable across schools.

WHERE CAN I GET MORE INFORMATION?

- Schools will advise parents and child care providers of these days in Term 4 every year.
- From your child's teacher or school.
- Visit the Department of Education website: www.education.tas.gov.au
