

What have we been up to this week?

WELCOME BACK 2017

What a fantastic start to the year. So great to see some new families and of course our 'old' families. Thanks to our 'old' families for helping new families settle in and feel welcome. We've had a very busy start with new areas and equipment to explore.

Abigail tried the new markers and crayons. The learning goal was **caring for equipment**. Abigail practised pressing lightly with the markers and replacing the lids. Working on the opposite side of the table was Millee who wanted to draw a tiger. I drew a tiger for her to copy. Meanwhile, Abigail was quietly working away at her own tiger. Copying the upside down view of the one drawn for Millee. Her accuracy was amazing. She drew a very impressive tiger.

Rainbow Rolled Oats in the sensory trays
