

The photograph shows a classroom display board with a wooden background. At the top, a banner reads "What country does our favourite food come from?". Below the banner is a world map with lines connecting to various food items and their countries of origin. The display is decorated with colorful handprints around the edges. On the left, a sign reads "National School of Mathematics and Science" and "Mathematics Day 2011". On the right, a sign reads "My Neighbourhood".
