

Hi there Students, Parents and Carers!

My name is Miss Daly and I feel very lucky that I have started teaching at RVPS this year! I teach Kindergarten, Pre Kinder and help Ms Cruse with LIFT outreach and LiL. Before RVPS I taught for seven years at Herdsmans Cove Primary and one year at Cambridge Primary.

My favourite things to do are reading, listening to music, going to the beach and spending time with my family and pets. I have a son and a daughter, and my first grandchild was born a month or so ago. In a few weeks my second grandchild will arrive so I am very lucky that I will have a grandson and a granddaughter so close together. We have a dog, cat, cockatiel and a rabbit.

My first term at RVPS was fantastic and I have loved getting to know the students and their families, and working in such a wonderful environment. I am very passionate about making students and families feeling welcome at school and helping children to enjoy their learning experiences. I believe that every child is unique and has something special to offer if they are given the opportunity. Last term in Kinder we had a big focus on Numeracy – including patterns, grouping and subitising. We also had a great first LIFT session – a big thank you to all the parents who came! The term finished with an Easter Party, egg hunt and special visit from the Easter Bunny! This term we will be starting Jolly Phonics – a Literacy programme aimed at teaching students letter sounds in preparation for reading and writing.

All the staff, students and parents at RVPS have made me feel very welcome. I look forward to getting to know more students and families this term – it will be an exciting one with Pre Kinder starting and our LIFT Expo on the 20th. Hope to see you there!

Miss Daly
