# LEGO® HOLIDAY WORKSHOPS

**BRICKS 4 KIDZ® school holiday workshops using LEGO® Bricks are a fun way for boys and girls to spend their school holidays in Hobart.**

With our own special BRICKS 4 KIDZ® models and lot of creative free-play building, kids always have fun at our LEGO® workshops!

Our school holiday programs are designed for both girls and boys aged 5 – 12 and are staffed by trained, screened BRICKS 4 KIDZ® instructors. Children will rotate between different stations during our sessions and work and play with different types of LEGO® - including Technic pieces such as gears, axles, electric motors and more! We also have heaps of fun in our break times – with different ball games and fun activities!

#### Cost

|                   |      |          |
|-------------------|------|----------|
| One day workshop  | \$80 | incl GST |

|-----------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

**Location:** Hobart

**Address:** Elizabeth College (enter through the gates from Warwick Street)

|                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Tuesday 11<sup>th</sup> July</b><br>Half day 1pm – 4pm                        | <b>SPINNING NINJAS</b> Enter the world of LEGO® Ninjago® where ninjas spin into tornadoes to defeat their enemies! Come into the Spinjitsu zone and show off your building skills. Imagination and creativity will abound as kids build cool models, battle with their mini-figures, customise battle arenas, tools, vehicles and more!                                                                                                                                                                                        |
| <b>Wednesday 12<sup>th</sup> July</b><br>Whole day 9am – 4pm                     | <b>MINING AND CRAFTING</b> Experience the world of Mine Craft™ with LEGO® bricks in this creative whole day workshop! Kids will begin by crafting their shelters and some of the mobs, critters and tools using traditional bricks and mosaic builds. We will build motorised BRICKS 4 KIDZ® models and craft key elements from the MineCraft™ game.                                                                                                                                                                           |
| <b>Thursday 13<sup>th</sup> July</b><br>Whole day 9am – 4pm                      | <b>REMOTE CONTROL MANIA</b> Making it move is the name of the game at this exciting workshop! Kids will love to see their creations in motion using LEGO® wireless remote controls. They will use fascinating and challenging LEGO® components to create dynamic vehicles, inventions, machines and more. As they enjoy the fun of building, kids will understand the basic working principles of many ingenious devices that are part of our everyday lives. This workshop is loads of fun and learning for budding builders. |
| <b>Friday 14<sup>th</sup> July</b><br>Half day 9am – 12pm<br>Whole day 9am – 4pm | <b>A GALAXY FAR FAR AWAY</b> Do you love Star Wars™ and do you love space? Then grab your lightsaber! Join us on an adventurous journey through space. This workshop is packed full of models that will make your imagination blast off! Build some of your favourite Star Wars™ characters with us in this out of this world workshop as well as building rockets, astronauts and motorised models. Come experience this stellar journey in a galaxy far far away!                                                            |
| <b>Monday 17<sup>th</sup> July</b><br>Whole day 9am – 4pm                        | <b>WORLD OF WIZARDS VS KNIGHTS</b> Who loves Harry Potter® and Nexo Knights®? Combine the two for an action packed workshop! Start the day in the wizard world by making a motorised magical self-stirring cauldron along with other models such as your favourite wizard and his magical owl! Then explore far away kingdoms on your knight's vehicle escaping from the evil jester and his evil ways! Don't forget your knight's sword in case you have to battle!                                                           |

**All our workshops are for both boys and girls aged 5 to 12. The day is structured so that kids rotate around different stations with different LEGO® activities during the day as well as have heaps of fun playing with our sports equipment and games during our break times!**

Please note that food is not provided. Please provide nut-free morning and afternoon snacks and lunch for your child to enjoy during the day of the program.

**We can throw you a BRICKS 4 KIDZ® birthday party using LEGO® bricks! This will be a fun filled event your child will always remember!**
