

What have we been up to?

Dads at LiL

It has been great to see an increase in Dads participating in LiL this year. It's not always easy for Dads to feel relaxed and comfortable in Early Childhood settings. We have two remarkable Dads who come to LiL regularly - Steve with Jacob and Jono with Layla. They are fortunate to be amongst an amazing group of welcoming Mums and Nannas who want to give their children the best start in life, just like Jono and Steve. All of our parents and carers are very supportive of each other in making this happen. No child is ever left without someone to help them, play with them, teach them or watch out for their safety.

LiL is a great place to be. If you are free on a Tuesday morning 9-11 or Thursday afternoon 12.30-2.30, we'd love you to join us.

Steve lets Jacob work it out himself but is always close by to help if needed, join in if Jacob wants him to, show interest and talk to Jacob about what he is doing. This extends Jacob's knowledge, vocabulary and language skills.

Jono, helping Layla with cutting. Using scissors is something Layla likes to do at the moment. Jono is very skilled at making the most of opportunities to improve Layla's skills in areas she is interested in. He encourages her to try different things without pushing past her level of interest.
