The Future Savers game - an amazing augmented reality adventure

On Monday **16 October 2017** we will launch the Future Savers game with three fun challenges that will be unlocked week by week. It will make playing games and learning money lessons more fun through an immersive technology called augmented reality, which brings the Dollarmites to life and lets students explore the future world in 3D.

You will receive another School Pack to share with your school at the start of Term 4, with more details about the Future Savers game and how to enter the Game Master Prize draw. For now, you and your school community can learn more at commbank.com.au/futuregames

Here's what you can do to spread the word

- Hand the enclosed letter about the competition to your Principal.
- Display the competition posters in school.
- Distribute the flyers to students or place inside their Dollarmites deposit wallets. You can order more flyers if needed through the School Banking Portal.
- Visit commbank.com.au/sbc to download our Term 3 Newsletter Article and include it in your school's newsletter.
