

# Kinder Book Parade

Kinder Daly had a great time celebrating Book Week by dressing up as our favourite book characters. It was great to have every student in the class participate and there were some awesome costumes! We paraded around the school holding our books and then had a sharing time with parents. It is wonderful to know that reading is highly valued by our families! Thank you to all the parents who enabled their children to have an exciting day, and those who came in to class.
