

What have we been up to this week in our garden?

Outcome 2: Children are connected to and contribute to their world

Outcome 3: Children have a strong sense of wellbeing

On Thursdays in LiL, we work in the garden. This week we prepared the garden beds before planting carrot seeds, and beetroot. Next week we will plant kale and snow peas. We are looking forward to watching the garden grow. It will be very exciting when the carrot seedlings start to pop through the soil.

If you have some keen little gardeners at home and have some time on Thursday afternoons 1.30-2.30 we'd love you to join us.
