

Respectful Schools Agreement

A Learning Community

Adults in our school:

- Treat everyone as equal
- Share responsibility for children's learning and wellbeing
- Are positive role models to the kids
- Keep personal conflict away from the school environment
- Use appropriate tone and language
- Remain rational and non-threatening
- Do not use Social Media forums for posting inappropriate comments about the school, staff, students or families
- Are prepared for each school day and get their kids to school on time
- Understand regular attendance is important
- Take responsibility for their child's home reading
- Supervise children to and from school
- Ensure safe driving in and around the school
- Understand classrooms are busy and request a time to talk about concerns
- Receive regular feedback from teachers on positive behaviour
- Are greeted and welcomed with respect
- Are safe in the knowledge that matters will be dealt with confidentially

This document was developed in reference to the Department of Education's Legal Issues Handbook and Respectful Schools, Respectful Behaviour resource by the Risdon Vale Primary School LIFT working group. The Principal is the designated officer and must exercise due diligence so that the school complies with the law.
