

'3 for me' 2018

Term 3 Round 4

Families working with us to enhance children's learning

A focus on maths games in 1/2 P, 1/2 V and P/IB. The maths games we play at school are strategies for teaching and learning. They are fun and interactive ways to learn the skills of subitising and trusting the count.

Grade 3/4 W used the outdoor learning space to create art from natural materials.

STILL TO COME...

More maths Games in 3/4 P next Wednesday and Tricky Words in Kinder on Friday.

PLEASE JOIN US FOR THE FINAL ROUNDS IN TERM 4
