We want to take this opportunity to highlight someone that has put a lot into the Risdon Vale Primary School Association. Outgoing President Tamara Knop has put a lot of her time into making this organisation what it is today, a committee of dedicated members wanting the best for our school. We would like to express our thanks for the great work and commitment you have put in, since first joining the School Association. The effort and additional time that have been put into your job have not gone unnoticed, and your dedication is greatly appreciated. Every event you put your heart and soul into. You truly will be missed.

Thank you Tamara Knop for your commitment to the School and the Association.

Yours Sincerely,

Risdon Vale Primary School Association.
