

Risdon Vale Primary School Association

Firstly we would like to congratulate all the students (and their families) for all the effort that they have put into their education in term 1. It has been an amazing term and one we should be proud of.

In term 2, the Risdon Vale Primary School Association (RVPSA) would like to focus more on the school and community.

We would like to begin a fundraising committee. This committee will involve both representatives from RVPSA and parent/careers/friends. We will work together to run events and raise money to support our children in their education. If you would like to be involved in this committee, please leave your name and contact details at the school office.
